

## Attractive and practical: The Leisure time box

Photo: Leisure time box 180 in metallic-silver finish

### For garden and pool

The leisure time box is perfect for storing away all those items for which there appears to be no suitable place. Things such as seat cushions, sun beds, folding chairs, children's toys, sports and camping equipment.

Available in 3 sizes and 3 colours – enough to satisfy all demands.  
A durable and lasting solution, thanks to the use of high quality materials

Size 100, white

Size 130, dark green

Size 180, metallic-silver

### Advantages:

- hot-dipped galvanised, polyester coated steel plate
- convenient cover opening with gas spring assistance
- twist handle with cylinder lock (includes reserve key)
- invisible, integrated ventilation
- threaded connections and hinges made of special quality stainless steel

Packed in one carton with photo illustrated assembly instructions
