

# Equipment locker

## Space saving universal solution

Where room is scarce, the equipment locker shows it's class. In the garden, on the patio, in the garage or on the balcony it protects and organises your tools without restricting your living space.

### Advantages:

- top quality, robust construction
- hot-dipped galvanised, polyester coated steel plate
- secured with a cylinder lock
- well ventilated and rainproof
- extensive variety of standard equipment available, see garden shed "Europa"

### Standard colour:

metallic-silver, RAL 9006 (interior grey-white)

### Accessories: (optional)

- see garden shed "Europa" for details (Excluding: side canopie, rain water downpipe and window unit)
- We recommend: - floor frame  
- Shelf set (W = 51,5 cm)

155 x 83 x 182,5	34010	41010

**Door to door delivery!** Packed in one carton with photo illustrated assembly instructions

# CoverBox – functional yet attractive

## The dustbin becomes fashionable

There is no doubt, that as necessary as the standard dustbin is, standing in front of the house it is nonetheless often regarded as an eyesore. An extra irritation, when the neighbour decides to dispose of his waste with yours! The "CoverBox" solves both problems at once. This attractive box is secure, rainproof and yet easy to open. Inside are two convenient hooks, useful for storing a dustpan and brush.

External dimensions L x W x H ca. cm	Vol. ca. l	Weight ca. kg	Biohort Art.-No.
