

eskola 1

The Eskola 1 is for those who love food and friends.

It's open and inviting, with room beneath its broad roof for a table and chairs as well as the barbecue. A convenient counter shelf lets you lay out a buffet or serve food to those who'd rather eat on the run.

If anything, the Eskola 3 (not illustrated) is even more versatile. With its four open sides, the Eskola 3 has the breezy ambience of a pavement café shaded from the blazing heat of the piazza. Please ask your distributor for details.

eskola 2

Throw open the wide doors of the Eskola 2 and you blur the distinctions between inside and out.

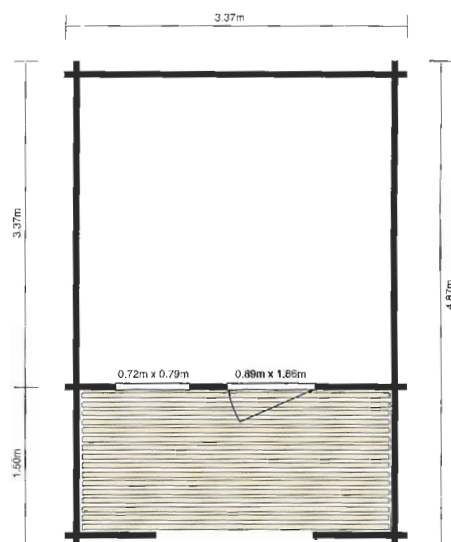

Decide for yourself whether the garden becomes an extension of the cabin – or vice versa.

With room for a spa, a gym, or a pool table, the Eskola 2 could be your games room or clubhouse. Unlatch the windows and you're soon serving food over the counter to the hungry hordes outside.
