Establish a new comfort zone in the garden.

If you were looking to escape from the world, this is the place you'd choose. The Jarvi will change your outlook on life. One moment it's a cosy garden hideaway, the next it's a compact studio-come-workshop.

By day, you can shelter from the sun and rain beneath the Jarvi's wide canopy; by night, you can secure your possessions behind a pair of lockable shutters.

kesa

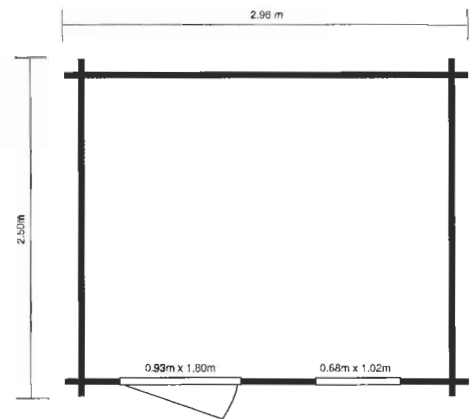

Make the most of endless summer evenings.
